

NCC Pediatrics Continuity Clinic Curriculum: **End of the Year Fun** *Faculty Guide*

1. Log in to www.kahoot.com
2. Select “login” from top bar, right side
3. Login name: ContinuityClinic
4. Password: CCisGreat!
5. Go to “My Kahoots”
6. Click on “Play”
7. Under “Game Options”:
 - a. “Randomize order of questions” should be ON
 - b. “Randomize order of answers” should be ON
8. Game participants should go to “Kahoot.it” on their phones
9. Have game participants enter the game PIN
10. Play the game! -- if you go very fast you can easily complete the quiz in 15 minutes. Don't go that fast. I recommend a short discussion following each answer to reinforce the correct answer.
11. May be played with team or individual scoring. Please record total number of points for the highest scorer on the white board each day. There will be a prize for the highest score of the week.
